

CALL FOR PROPOSALS

CZS HONORARY GUEST LECTURES

A special lecture series offered by the Jena Alliance “Life in Focus”
Funded by the Carl Zeiss Stiftung

The *Jena Alliance* calls for proposals for keynote speakers, who could be invited to give a Honorary Guest Lecture in Jena.

Criteria for speakers

The speakers of the Honorary Guest Lectures will be scientists with an outstanding international reputation and track record who are able to give an overview on a scientific field of immediate interest, with a substantial societal impact. The presented topics should lend themselves to address and to attract the LIGHT-LIFE scientific community in Jena.

Who is eligible to apply?

This call is open and addressed to all principal investigators, principal scientists, teaching faculty, doctoral researchers, and postdocs of the Jena Alliance of Graduate Schools “Life in Focus” (JSMC, JSMM, ASP, MPSP).

Organisation

- The lectures can be held in either hybrid/online format or on-site; depending on the availability of the speaker.
- The *Jena Alliance* executive office is in-charge of the lecture's organisation.
- The engagement and commitment of the guest and the inviting faculty will be generously supported by the existing funds of *Jena Alliance*.

To propose a speaker, please write an email to maria.langhammer@uni-jena.de along with the following information: Name, Institution/Position, Area of Research.

You can find more information here: www.alliance.uni-jena.de
